Thank you for choosing to have your procedure completed at Beautiful Smiles Family Dental. We appreciate your confidence in us.

You have decided to complete your procedures under sedation. Your cooperation to adhere to the following guidelines will ensure your treatment is completed successfully and safely. Please read the following carefully:

Sedation Appointment Checklist

- Nothing to eat or drink 8 hours before the scheduled appointment. This includes water, mints, candy, gum, etc.**
- No alcoholic beverages for 2 days prior to the appointment**
- Leave all valuables, purse, wallet and watches at home or with your companion**
- No contact lenses**
- Wear light-weight comfortable clothing with short sleeves**
- Wear comfortable shoes and socks or bedroom slippers**

It is absolutely essential that you have your escort drive you to your appointment. We will not proceed with your appointment if you drive yourself, and this will result in rescheduling your procedure.

Your companion will need instructions, so please have him/her speak with the dental team before dropping you off. Should your companion wish to remain here during your sedation visit, we have a comfortable lounge area with WiFi access for their use.
