

Full-Time Dentist at Beautiful Smiles Family Dental Center! - Etters, PA

Are you a skilled and passionate dentist looking for a rewarding career with autonomy, a strong support system, and a great work-life balance? Look no further! Beautiful Smiles Family Dental Center, a trusted and well-established practice in the **Etters** community for over 20 years, is looking for a full-time associate dentist to join our team.

Work alongside Dr. Graver, a highly trained *dentist-anesthesiologist*, providing you with a unique opportunity for hands-on experience with advanced procedures that are **rare** in most practices. Plus, we're offering a partnership opportunity for the right candidate!

Why Choose Us?

- Clinical Autonomy: Enjoy the freedom to manage your cases with full control while working alongside an experienced, supportive staff.
- Mentorship & Growth: Learn and grow through continuous mentorship and access to ongoing training and continuing education opportunities.
- A Family-Oriented Atmosphere: Be part of a team that values collaboration, patient-centric care, and a positive, uplifting work environment.
- Doctor-Owned Practice: Benefit from working directly with the practice owner, a board-certified dentist-anesthesiologist, who prioritizes quality care and supports your professional development.
- Partnership Opportunity: For the right candidate, there is the potential for a long-term partnership, offering the chance to own a stake in a thriving, community-focused practice.

Schedule: Full-time

- Monday – Wednesday: 7:00 AM - 4:00 PM
- Thursday: 8:00 AM - 6:00 PM
- Friday: 7:00 AM - 2:00 PM

Compensation: Competitive pay based on experience, plus health insurance and additional perks!

What We Offer:

- Competitive pay commensurate with your experience.
- Health insurance coverage to support your well-being.
- Continuing education support to enhance your clinical skills.
- A friendly, professional team dedicated to patient-centered care.

- Opportunities for community involvement and outreach.
- Partnership potential for the right individual interested in a long-term role.

What You'll Do:

- Examine, diagnose, prescribe, and carry out comprehensive treatment plans for patients.
- Uphold and implement the highest clinical standards and protocols in line with current best practices.
- Continue to build your knowledge and clinical skills through ongoing education.
- Contribute to the growth and reputation of the practice by engaging in community outreach and patient education.

What We're Looking For:

- DDS/DMD degree from a dental school accredited by the Commission on Dental Accreditation.
- Valid, in-good-standing dental license for the state where care will be provided (or eligibility for licensure).
- Other required certifications, such as CPR, DEA, etc.
- A commitment to providing exceptional care and making a positive impact in the community.

About Us:

At Beautiful Smiles Family Dental Center, we pride ourselves on providing personalized, health-centered dentistry with a holistic approach to patient care. Our practice is known for its steady patient flow, high productivity, and a welcoming environment where both patients and staff thrive.

If you're ready to make a real difference and join a community-oriented, doctor-owned practice, come be a part of our dental family—and explore a partnership opportunity for your future! **APPLY TODAY!**
